SAND

SNOW

GRASS/GRAVEL

FREEDOM TRAX IS THE ONLY POWERED MANUAL WHEELCHAIR ATTACHMENT FOR OFF ROAD USE.

FREEDOM TRAX

TOUR ENGINEERING

Why Choose Freedom Trax?

Motorized

The joystick controller can be used while on or off the chair and driven by you or anyone else. It can be mounted any convenient location on the chair. An 8 mile range ensures you get a full days fun on Freedom Trax.

Portable

Freedom Trax can fit in most small cars, no trailer or van needed. You can fly on an airplane with Freedom Trax as a Power Chair. Freedom Trax is fully adjustable to your chair and can be shipped right to your door, no in person fitting needed.

Affordable

Freedom Trax is very competitively priced compared to other off road motorized solutions.

Quality and Warranty

Freedom Trax is manufactured in Golden, Colorado. Our local customer service team strives to make everything easy for you from order to shipment. We are always available to answer your questions. We have a one year warranty and take pride in our customer service.
